

FREQUENTLY ASKED QUESTIONS

VERDI CLUB MEMBERSHIP APPLICATION

What is the difference between a Vested Member and an Associate Member?

A Vested Member is eligible to become an Officer or Board Member of the Verdi Club after the first year of membership, and after five years becomes fully vested, having an ownership share in the Club. A Vested Member receives discounted rates for the Verdi Club's dinner dances and events.

An Associate Member receives discounted rates for the Verdi Club's dinner dances and events.

In addition, Vested and Associate Members receive the monthly Verdi Club Newsletter; can attend Member Meetings and are eligible to vote in elections of Verdi Club Officers and Board Members.

How do I pro-rate annual dues if I don't apply for membership in January?

Annual dues are pro-rated at \$8.50 per month. For example, if you submit your Membership Application in March, multiply \$8.50 by 9 – the months remaining in the year. If you submit your Application in June, multiply \$8.50 by 6; if you submit it in September, multiply \$8.50 by 3.

My Membership Application is complete and I've written my check to the Verdi Club. Where do I send my Membership Application?

You can give your Application to a Verdi Club member (who will give it to the Membership Chair). Or, you can mail your completed Membership Application and check to:

Verdi Club – Membership Chair
2424 Mariposa Street
San Francisco, CA 94110

How will I know that my request for membership has been approved?

Vested and Associate Members receive a Verdi Club Membership Card and a copy of the Verdi Club's By-laws. In addition, Vested Members receive a Gift Certificate (dinner for two) at a Verdi Club dinner dance (some exceptions apply) and a Verdi Club pin.
