PRESIDENT'S MESSAGE

Benvenuti a tutti!

On February 16, the City and County of San Francisco enacted a new health order, bringing The City's COVID mask requirements in line with the new State guidelines. The upshot is that we no longer have to wear masks in most indoor settings (like The Verdi Club) if we have provided proof of vaccination (proof of receipt of a booster shot appears to be optional). This is a welcome development after wearing masks indoors, and sometimes outdoors, for a solid two years now. Just a reminder, we still recommend that you mask-up, regardless of vaccination status, and especially if you are in a high-risk group.

Fat Tuesday is March 1st this year. Wearing masks has long been a Mardi Gras tradition. The genesis of that tradition appears to be anonymity: A mask permitted the wearer to mingle with persons outside his or her class at carnival, without societal constraints, and thus without the potential for judgment or scandal that came with those constraints. I am pleased that Verdi lives here in this beautiful City, where we have our own tradition of being unfettered by class distinctions and societal constraints – We are all equal in the eyes of the law and in the eyes of our Creator.

Those Who Do Good Work (continued) ...

Last month I thanked our outgoing Board members for all of their hard work. I absolutely do not want to forget to thank Verdi's officers for their day-to-day contribution to The Club's smooth operation. We are indeed blessed that, except for your new President, all of last year's officers have re-upped this year! Many thanks to VP Mark Schutz, Financial Secretary Ed Sutton, our Treasurer Dennis Davison, and special thanks to Jean Perata, our Recording Secretary. Please join me in welcoming our Officers back.

Virginia "Ginny" Malson

August 23rd, 1930 – February 13th, 2022

Our hearts are heavy with the sad news of Virginia "Ginny" Malson's passing on February 13th, 2022. Our love and deepest sympathies to her husband George Malson and family.

Ginny was born in Hawaii on August 23rd, 1930. She was one of four children. Her love for her family and extended family was big and she often spoke of them.

With a sense of adventure, Ginny moved to the mainland as a young woman. She fell in love with George Malson the first time they met when he asked her if she liked to dance. She had grown up in Hawaii dancing the hula. George and Ginny danced through almost 40 years together and many of those years were at our beloved Verdi Club. She was a long time Verdiette. Together she and George traveled and had a lifetime of adventures.

All who knew her loved her infectious giggle. She was incredibly kind and always put others first. She will be deeply missed by all who knew and loved her.
